

Financial Assistance Fund

Accessible behavioral health for all

Apply today 

Who is this for?

- Individuals seeking behavioral health services who do not qualify for SeaView's Sliding Fee Scale and who are not eligible for Alaska Medicaid.
- Most individuals seeking financial assistance in this category would be identified as middle income or hold commercial insurance plans, but are considered underinsured by having high deductibles and co-pays for services.
- Must be currently residing in the Seward/Moose Pass Community.

What does it do?

- Provides up to \$750 in assistance to qualified individuals.
- Ensures that qualified individuals can begin the process of accessing needed behavioral health services with limited out of pocket costs.

How to apply!

- Inquire at your intake appointment.
- Complete the application with our admissions team prior to your first clinical appointment.
- Follow up! Give us a call at (907)-224-5257 to inquire about your application status.

This fund was made possible by a grant from the Seward Community Foundation
